

2017-18 Institutions & Fellowship Sponsors Approved to Receive \textit{GRE}^{\otimes} Scores

The institutions and fellowship sponsors listed below are approved to receive *GRE*[®] scores.

If an * appears to the left of an institution's name, it indicates that the institution does not offer graduate programs. An institution preceded by an asterisk can be entered in the undergraduate institution section; however, the institution should not be entered in the score report recipient section of the registration form.

Various organizations use GRE scores in considering candidates for graduate fellowships. However, test scores should not be directed to a fellowship sponsor unless you have filed an application with that sponsor or have been requested by the sponsor to send scores. If you are applying for a fellowship that does not appear in the list but is offered by a specific university, contact the university to determine the appropriate code to use.
